

ITHACA PUBLIC SCHOOLS

2014-2015 DISTRICT ANNUAL REPORT COVER LETTER

Corinne Netzley, Superintendent

April 20, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for the Ithaca Public Schools and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Corinne Netzley, Superintendent, for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site [Ithaca Public Schools Annual Report](#) or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data – Elementary or middle school assessment results on the Michigan Student Test of Educational Progress (M-STEP), high school assessment results on the M-STEP component of the Michigan Merit Exam (MME), and assessment results for students with disabilities on Michigan's Alternative Assessment Program (MI-Access).

- Presents achievement data for all three tested subjects (English language arts, mathematics, and science) compared to targets for all students as well as subgroups of students
- Helps parents understand achievement progress within schools and compare these to district and state achievement

Accountability Scorecard – Detail Data and Status

Due to the transition from MEAP tests to the M-STEP test, the accountability portion of the AER is limited to assessment participation and graduation/attendance rates. Full accountability reporting will resume with the 2015-16 AER.

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Ithaca Public Schools strives to make a difference in the lives of each of our students. Student academic achievement has been, and will remain, our districts highest priority! We take great pride in the job that we do and in the services we provide to our students, parents and community. In closing, we would like to take this opportunity to sincerely thank the members of our community for their continued support of our comprehensive educational program.

Sincerely,

Corinne Netzley
Interim Superintendent of Schools
